REMINDER: To be an eligible quizzier for Nationals, quizzers must adhere to the following guidelines as stated in the national rule book: The lower age limit for any tournament will be defined as any student who has begun the 6th grade at the time of the tournament. The upper age limit will include anyone who is less than 20 years of age at the beginning of the tournament who has not attended any additional specialized institution beyond high school. The Jr. High tournament is limited to 6th through 9th grade. The Sr. High tournament is open to any eligible quizzier. (i.e. All eligible quizzers at our tournament will have gone through the 6th grade since it is held in July, after the school year ends. Those just entering the 6th grade are not eligible.) **Also, please remember according to the rules that each individual team must have their own coach (a different person/coach for each team). Please be sure to list a head coach for all of the church teams that may be contacted if needed.
