*Believing God. By Beth Moore. © 2003 by LifeWay Press.

Format: 10 sessions on six DVDs, a leader's guide and one member book.

Based on Isaiah 43:10 and explores what it means to not only believe in God but to believe Him. Do you take God at His Word, believing what He has told you, or do you just believe in His existence and the salvation He offers? Beth Moore came face-to-face with this question well into adulthood. At first, her response to God was, "Lord, of course I believe in You. I've believed in You all my life." Over time, the Holy Spirit led her to understand He was saying, "I didn't ask you to believe in Me. I asked you to believe Me." Through studying the lives of Abraham, Moses, and others from Hebrews 11 as examples of persons who believed God, Beth encourages women to deepen their own trust in God and receive a fresh word from Him.

Explore the major feasts of Israel and journey with Beth through Psalms 120-134 in this 7-session study. Themes such as unity, joy and gratitude, redemption, repentance, the power of blessings, facing ridicule, and more are explored in detail. *When Godly People Do Ungodly Things: Arming Yourself in the Age of Seduction. By Beth Moore. © 2003 by LifeWay Press.

Format: DVD, 6 sessions, leader's guide.

It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey.

Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. *When Godly People Do Ungodly Things* will be a guide to authentic repentance and restoration.
