ONE YEAR GOAL

One of the best ways to help your church take a step forward is to set a One Year Goal. Please take time to work through the following questions to arrive at your goal. If your church has already worked through a process to identify a goal, feel free to skip to the bottom and let us know what your goal is.

- Comparing your ministry review from last year and this year - what is the Lord highlighting for you?
-

- Which area of ministry would you like to see grow in the next year?
-

This could be worship, discipleship, outreach, children's, youth/student, or something else.

- Goals are best written in the SMART format - Specific, Measurable, Actionable, Realistic, and Time-Bound
-

As you form your goal, is it specific, measurable, actionable, realistic, and time-bound?

Examples:

- We will have an outreach event once a month for the next year.
- We will add two new small groups this year.
- We will baptize 10 people this year.
- We will increase our giving to missions by 10% in the next year.
