SPRING 2020

LAND DONATED FOR CHURCH

On October 8, 2019, the Good News Bible Church in the city of Dom Macêdo Costa, Bahia, Brazil was happy to receive the donation of a parcel of land to the Good News Bible Conference. The land was donated by sister-in-Christ Maria Cosmelina Cerqueira de Almeida Santos for the building of a church. Currently, the church functions in a building loaned by the Baptist Church. You can see photos below and on the back of this newsletter.

I'd like to thank you for your prayer and ask that you would continue to pray for this new work. We will decide on a date with Pastor Brauliu for when we will begin to build the new church. Hopefully, we will be taking a work team to this region. Thank you again for your prayers and support of the work in Brazil.
