BLESSINGS FROM THE HOOGHAN NIZHONI AND GAMERCO CHURCHES

We, as well all of you have had the most unique spring and summer of our life time. Here in the southwest it has some very normal things missing. We do not see the groups of teams in their T-shirts along with church vans from California, Texas, Illinois, and Pennsylvania. For the first

time no revival tents are around the area. It is also easy to get rental equipment this year. The old GMC van is wondering about no trips to the airport or the Four Corners. Gallup flea market has been every Saturday, with the exception of Christmas Saturday, for these last 14 years, now closed since February! The Nation has restricted "visitors" since about March and we have seen the difference in the community, the vendors at Window Rock, the canyon and Four Corners are struggling.

We have been able to pen for service here at Gamerco Church about 3 weeks ago following all the rules as we can. It was so good to get back together. Youth group and mid-week prayer and Bible study have started also. Having no teams has been very different for us. Haley and Jacob are busy scheduling for 2021 and following. I think they are about full so call them quick if still interested.

We have been putting the services on the computer (I shouldn't say we, it's other who take care of that) you are invited to watch as you can. We have been pleased with the outreach this has been. Some of our people from Hooghahn Nizhoni are able to worship with us through their phones. However we are now being told that the platform we are using is not going to allow us to continue broadcasting. Pray for this issue. We will have one team this October to install metal roofing on the Gamerco church. The Elders call this an essential need because the roof is leaking.

Miss Toni and I thank each and everyone of you for your prayer support, we know the power of prayer and pray God's blessing toward you. Your continued support has kept us on the field. We thank you for the opportunity to be your representative to the Navajo people at this particular time!

“That is why I am suffering as I am. Yet this is no cause for shame, because I know whom I have believed, and am convinced that he is able to guard what I have entrusted to him until that day.”

2 Timothy 1:12
